- NACSW reserves the right to cancel a trial if minimum entry numbers are not met
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Note: We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 72 hours to complete your payment to confirm your space in the trial.

#### Registration Method:

All registration will be on-line via the link provided to the NACSW™ trial registration form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive an auto-response email confirming that we received your trial entry after registration - this email does not confirm your space in the trial. There will be a separate confirmation from Northwest K9 Sniffers e-mail address of [nwk9sniffers@gmail.com](mailto:nwk9sniffers@gmail.com) to let you know if your entry has been given a space in the trial.

#### Entry Method:

A Qualified Entry is one that meets all of the following criteria:

- Complete the on-line trial entry between 9AM Pacific Time March 19th, 2018 and 9AM Pacific Time March, 21st, 2018
- The Handler is a NACSW™ member for the 2017-2018 membership year (8/1/17- 7/ 31/18).
- The Dog is registered with the NACSW™
- Dogs participating in a trial must be at least one year of age.
- The Dog has passed the appropriate ORT and prior title level at least 14 days before the trial opens for entries.

**Qualified entry for NW3** – Dog has earned a NW2 title and has not yet earned the NW3 Elite title level.

**Qualified entry for Elite** - Dog has earned a NW3 elite title. Any dog that has earned their ELT-CH title AND has trialed 6 times in the period of time covering July 1, 2017-June 30, 2018 will be considered to be an FEO entry. Please note: The opportunity for ELT-CH dogs to trial up to 6 times during this time period includes ALL Elite division trial participation for that dog during the specified time period. This includes trials prior to earning your ELT-CH title as well as those after. For example, if you do not have your ELT-CH title and you trial 7 times from July 1, 2017-June 30, 2018 and earn your ELT-CH title at the 7th event during that time period, you would not be eligible to participate in any further elite trials during this time as you would have completed 6 Elite trials. If you earned your ELT-CH title prior to July 1, 2017, then you would be eligible to participate in up to 6 elite trials during this time period. If you

earn your ELT-CH at your 2nd trial during the time period, you would be eligible for 4 more Elite trials during that time period.

Trial spaces will be awarded in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries (see below) received between 9AM Pacific time, March 19th, 2018 and 9AM Pacific Time on March 21st, 2018.
- In the event that you are having technical difficulties with the entry system, please email [trialEntry@nacswnet.net](mailto:trialEntry@nacswnet.net) prior to the end of the draw period.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT or title requirements. These entries will be accepted pending completion of the requirements. Please note: Dogs must earn the appropriate ORT and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT is earned less than 14 days prior to the event, it is the competitor's responsibility to provide proof of the ORT or title to the event host in the form of a score book or a photo of the official results.

**Note: If you are entered in another trial before this one and earn the title for the level you are entering (NW3 elite) at this trial, you will forfeit your space in this trial. You may request that the host add you to the list of those wishing to run their dog For Exhibition Only (FEO), in which case you may be given a space in the trial if space remains after all Qualified Entries are accommodated. If you earn the title level after the refund period has ended then you must contact the trial host at: [nwk9sniffers@gmail.com](mailto:nwk9sniffers@gmail.com) within 48 hours of earning your title and at least 72 hours before the trial you are registered for to let them know you are no longer eligible. If you contact the host within 48 hours of titling and at least 72 hours before their trial and (1) they are unable to fill your space then you won't be given a refund but will be allowed to keep your space in the trial and run your dog FEO or (2) they are able to fill your space then a refund will be issued minus the processing fee listed in the cancellation policy. If you fail to contact the host within 48 hours of earning your title and at least 72 hours before the trial you are registered for then you will forfeit your space, you will not be allowed to run as FEO, and no refund will be issued.**

After all entries received during the draw period are processed, if the trial level is still not full, entries will continue to be accepted in the order they are received through the closing date or when entries fill. You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. In the event that multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full. No dog will be given a space in more than one day of any given trial weekend.

Some trial entries may be given priority entry based on contributions to the organization and the trial process.

If space remains after all entries are accommodated on April 15th, 2018 then we may accept entries for those who wish to run a dog For Exhibition Only (FEO). Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.

You will be notified via e-mail of the results of the random draw by 6:00PM (pacific time) April 1, 2018. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 72 hours to complete your payment to confirm your space in the trial.

A waiting list for alternates will be started as soon as entries fill.

Alternates will be contacted when a space opens up. Note: Depending on last minute trial logistics, we may opt to not fill all canceled spaces.

*Be sure you read and understand the guidelines for this trial before entering. By submitting a registration for this NACSW™ Trial, you acknowledge that you have read, understand, and accept the policies and liability information of NACSW™.*

### **Trial Conditions:**

Modeled after real-life detection work, K9 Nose Work® trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

Trial location is a skills based High School. The parking lot is paved. Pathways to the search areas will be paved with ramp options. The search areas may include vinyl floors, pavement, grass, or gravel. Search locations may also include dusty environments like a wood shop or areas with automotive repair type odors (gas/oil). The school is large and spread out. There may be long walks to some of the search areas, with little elevation gain. Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

**Liability:**

By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agrees that the NACSW™, Northwest K9 Sniffers, the Highline School District and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW™ due to the actions of themselves or their dogs regardless of the cause.

**Dog Policies:**

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- We are unable to accommodate any unentered dogs at this location.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths as there is no shade on site.

**Females in Season:**

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact Northwest K9 Sniffers so plans can be made for the dog.

**Rules:**

Complete rules are available at [www.NACSW.net](http://www.NACSW.net). It is the responsibility of each competitor to read and understand the current NACSW™ Rule book prior to participating in a NACSW™ event.

**RV Parking:**

There is no space for RVs to park in the competitor parking area during the trial.

**Smoking:**

Smoking is not allowed on this trial site, including the use of e-cigarettes

**Sportsmanship:**

All competitors/handlers and spectators are expected to follow the rules of the NACSW™ and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to testing and kept secret from other competitors. Please do not discuss hide placement or

any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

**Spectators:**

Family members and friends are welcome to watch certain elements if there is appropriate viewing space for a gallery that will not interfere with the dog working or the judging. Limits may be put on the number of spectators depending on the turn out. Children under 18 must be directly supervised by a parent/guardian at all times. Spectators MUST check-in at registration, sign a waiver, and get a name badge. No dogs will be allowed in the spectator area. No unentered dogs are allowed at the trial. Spectators are reminded that the hide placements must not be discussed nor should they speak with any competitors about what they saw until after the trial is complete. Competitors are not allowed to watch the trial at any time.

**Video Taping and Photography:**

At this time, competitors may be allowed to take videos and photos of the search areas during the competitor walk through in order to help familiarize themselves with the search area. Due to site privacy issues or time constraints, competitors may not be allowed to photograph or video a search area during the walk through. At the host's discretion, a photographer and/or video service may be present during the trial to offer photos and/or videos for sale to the competitors.

As a condition of your entry, you agree to allow NACSW™, or their agents, to video you and your dog, during the entirety of the NACSW™ event. These videos are the property of NACSW™. All competitors, through entry at any NACSW™ event, waive any and all rights relative to video broadcast or photography of such event.
